### SHAPING THE FUTURE OF EUROPE'S PV INDUSTRY

In 2024, the EU PVSEC will take place in the timeless city of Vienna, Austria, from 23 – 27 September in the Austria Centre Vienna (ACV).

At the EU PVSEC 2024, we are bringing together the entire PV value chain, uniting industry experts, pioneers, and decision-makers from the solar PV sector.

We invite you to join us in fostering a resilient global PV supply chain together!

#### WHY JOIN US?

##### EXPOSURE

Gain more visibility on the PV market and promote your company and your services to a highly trained audience of international experts.

##### POSITIONING

With over 600 companies attending the event, you can get in touch with decision-makers from all touchpoints of the PV value chain, strengthening your position as a business partner.

##### LEADS

Grow your sales pipeline and increase the number of potential customers with the insights you gain at the EU PVSEC.

##### LIAISON

Build relationships and strengthen your position as the leading partner of choice for businesses deploying next-generation technologies.

##### LOCATION

Vienna is at the forefront of upstream research in photovoltaics due to thriving academic and industrial collaborations, state-of-the-art laboratories, and a vibrant community of researchers dedicated to advancing solar energy technology.

### ENGAGE WITH **YOUR AUDIENCE**

#### EXHIBITION

**SHOWCASE** your expertise and services to your target audience and make new business connections.

#### ROUNDTABLE DISCUSSIONS

**BE PART OF** inspiring Roundtable Discussions covering late-breaking industry topics and showcase your know-how on the latest market-trends.

#### COMPANY PRESENTATION

**GIVE A PRESENTATION** of your company's core competences and services to attract potential new partners.

#### SOCIAL EVENTS

**BE PART OF** one or more Social Events and position yourself as pleasant and authentic partner, while enjoying a refreshment with business prospects.
